

EXCELLENCE . . . VOKAR I

HERE is the result of Vokar's many years of specialized research and engineering . . . a camera that combines many revolutionary discoveries by the nation's foremost optical scientists. The Vokar I is the *only* camera that sells for less than \$100, yet incorporates all of the following important features.

1. Lens coated for finer pictures.
2. F2.8 anastigmat lens fully corrected for color.
3. Combination range and view finder coupled to lens.
4. Automatic shutter - cocking eliminates double exposures.
5. Fingertip control.
6. All controls and adjustments visible from *top* of camera.
7. All-metal, non-corrosive construction.
8. Uses standard 35 mm load, double frame picture size.
9. Has shutter speed range from 1/300th sec. to 1 sec. time and bulb.

Price \$76.70 plus tax, less Carrying Case
